Assistant Commissioner for Patents  
Washington, D.C. 20231

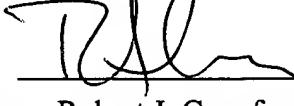

Sir:

In accordance with the provisions of 37 C.F.R. 1.136, Applicant filed a (Missing Parts) Communication dated July 24, 2001 with an informal petition for an extension of time and with authorization to charge deposit account no. 50-996 should there be any shortage of fees in connection with the filing. After inquiring with the Group Receptionist and Customer Service representatives at the USPTO, Applicant was unable to verify the location of the above-referenced Application File, only that it may be with the Office of Petitions, and could not determine if the Missing Parts Communication was received and accepted by the USPTO. In view of the two-month extension date looming and in an abundance of caution, should the informal petition for an extension of time not be accepted, Applicant hereby more formally petitions that the appropriate extension of time to respond to the missing parts notification be granted in which to file the attached copy of the Missing Parts Communication.

Please charge Deposit Account No. 50-0996 (8X8S.049PA) in the requisite amount to cover the extension fee for a large entity.

Respectfully Submitted,
